EXPLANATORY NOTE

The student who is named above is a member of this National Sample of 5000 young people who have been followed up since their birth in 1946, through the generous co-operation of Local Education Authorities, schools, school medical officers, school nurses, and of the Youth Employment Service. The present study is concerned with the vocational training and further or technical education of those members of the sample who have left school. It is being supported by a grant from the Department of Scientific and Industrial Research.

At a recent interview with this student, held on our behalf by a Youth Employment Officer, it was learned that he has attended your college for the course outlined below. In order to complete our information about his studies we should be most grateful if you would provide us with some facts about the college and the course of study involved, **even if he has now left college.**

All information given will be regarded as strictly confidential and there is no possibility of the name of the college, or of the student, appearing in any report.

HOW TO FILL IN THIS FORM

We would ask that Section A be completed by the Head of Department concerned and Section B by the Principal or his deputy. Where a question has several possible answers, please put a circle round the number opposite the appropriate reply. Where three columns are supplied please answer in the column appropriate to the sessions in which this student attended the college, namely 1960/1, 1961/2 or 1962/3. If you feel that further amplification of any answer is needed, please do not hesitate to give it.

If this student is enrolled for any examinations this summer, external or internal, we should be glad if you would hold the form until the results can be supplied.

When the form is completed please return it to your Local Education Authority, to be forwarded to the National Survey.
